## **Applicant Tracking**

Interactively track your candidates' progress over time and customize your pipeline to meet your team's needs.

#### Outlook/Office 365 & Gmail Integration

This allows you to send and receive emails and sync your calendar directly from our platform.

# SERVICES

#### **Job Portal Multi-Posting**

Candidates who apply through job portals such as LinkedIn, Glass Door, etc. will automatically have their profiles created for them on Manatal and added to the matching job.

#### Al Recommendations for Jobs & **Candidates**

Manatal scans job descriptions and extracts the core skills and requirements needed for candidates to perform well in the position at hand.

#### **Integrated Emails**

The integrated email feature spares users the hassle of working on two platforms at once.

## **Advanced Reports & Analytics**

Manatal provides in-depth reports specific to each job listing, potential candidate, and professional requirements.
